Welcome Message

Hello

Congratulations, you are now able to view all the resources in the school library, request books that are in stock and make suggestions of books to buy.

Search for books using keywords and also try 'if you like' followed by your author's surname or book title eg 'if you like Diary of a Wimpy Kid'

Take a look at your account to see what books you have borrowed in the past and of course which books you need to return .

Write a review for other students to read.

Watch a video of authors known and unknown to you. 'Meet the author'
