Dear parents and carers

Parents' Evening Feedback Survey: Help Us Improve

At The Bulwell Academy, we are always looking for ways to strengthen our partnership with parents and carers. We know that parents' evenings are an important opportunity for you to connect with teachers, discuss your child's progress, and ask any questions you may have.

Recently, we have found it challenging to increase attendance at our parents' evening events held in school. To help us improve and make these events more accessible and valuable to you, we would love to hear your thoughts and ideas.

Please take 2 minutes to complete this short survey:

<https://forms.office.com/e/99h9JC7qhm>

Your feedback will help us understand:

- What works well about our current parents' evenings
- Any barriers that might prevent you from attending
- How we can adapt or improve these events to better suit your needs

Your input is confidential and will be used only to help us make parents' evenings more effective for everyone.

Thank you for your time and support. Together, we can continue to work in partnership to support your child's learning and development.

Yours sincerely

E Worker-Simpson
