15 January 2026

Dear parents and carers

As we enter 2026, the UK's National Year of Reading, the Bulwell Academy gets ready to host our first Scholastic Book Fair in the school library. The Book Fair is a fantastic way for students (and parents) to find the latest great reads from as little as £2.99 and to support the school by earning us free books for the library with every purchase!

The Book Fair will be at **our school library from Tuesday 20 January to Tuesday 27 January**, and all students will get a chance to browse the selection and find their perfect book (or books) to take home!

Students in years 7, 8 and 9 will all have time to visit the Fair during one of their English lessons that week, while students in years 10 and 11 can access the Fair at lunchtimes or afterschool.

The Fair will also be available in **the Community Hub during the year 9 parents evening on Thursday 22 January**.

What Books Are Available?

You or your child can browse the available books by scanning the following QR code or visiting the website:

Exam revision materials are also available to purchase for GCSE students.
