Dear Parent/Carer

The 'Bulwell Boost' Offer

We want to provide pupils with more opportunities by providing a diverse extra-curricular provision to increase the 'fun factor' and the holistic development of our children.

Our [Bulwell Boost extra-curricular provision](#) is immensely popular with our children, and participation in clubs and activities across the school is hugely successful. Our goal is to provide enrichment activities that drive a positive culture and create a fabulous, enjoyable environment for everyone. You will find the [timetables](#) for after-school and lunch-time clubs on our website and they are displayed on the following page.

In addition to after-school activities, we also provide several activities during lunch breaks. These unstructured times are great opportunities for students to: boost their physical activities with our PE clubs; and to reach out for support with our drop-in sessions for online homework, Careers, Wellbeing and Young Carers. Also running at lunchtime, our Pride Club—formed during Pride & Diversity Week last year—will now run two times a week on Mondays and Fridays—everyone is welcome!

After-school clubs (running from 2.50pm to 3.50pm) and lunch-time clubs will be delivered by Academy staff and registered external providers offering Sport, Performing Arts and other activities.

I hope pupils will be excited by the offer, fully paid for by the Academy, and will welcome the 'fun factor' and a sense of 'belonging' that clubs offer. These clubs are essential for the success of our school but, most importantly, they are essential for our children's all-round personal development, providing the chance to further their interests beyond the classroom and to motivate students to want to be part of the era of belonging at Bulwell.

Students have welcomed the opportunity to find out about our Bulwell Boost offer at our Enrichment Fair, which took place during the lunch break today.

Clubs will start next week from Monday 22 September. **Parental consent will be required before your child can attend any of our after-school clubs** (no sign-up is required for lunch clubs). The after-school Bulwell Boost clubs will be live from 3pm today in the Arbor Parent App (in the Activities section). Click on the club your child would like to attend and follow the steps to provide consent. If you have not created your Arbor account, please find out how to do so here: bulwellacademy.org.uk/arbor-parent

We will make sure we keep you updated on a regular basis about school news via our communication systems including email, Arbor Parent, our website and social media platforms (Facebook and Instagram)

Yours sincerely

Mr M Irons
Principal

Ask your parent/carer to sign you up by looking for **Activities** in the **Arbor Parent App**.
