Dear Parent

The Bulwell Academy Leadership

I hope this message finds you well.

I am writing in my capacity as CET Education Director link for The Bulwell Academy, working closely with Mr Irons since July, and with Mr Keen last academic year.

I wanted to provide a leadership update as you may be aware Mr Irons has recently been absent from Bulwell. Unfortunately, due to health reasons Mr Irons is now having to take an extended period of time away from work. However, this absence is very much of a temporary nature.

Miss Fuller has been leading the school as Acting Principal this half term and will continue until Mr Irons returns. Miss Fuller will be ably supported by Mr Smith, Vice Principal, and Trust colleagues such as myself. Working together, The Bulwell Academy Senior Leadership Team and staff across the school will continue to ensure educational continuity for your child.

Thank you for your continued support.

Yours faithfully

Ben Driver
Director of Performance, Creative Education Trust
