

# **The Funky, The Fearless, and Your Next School Prefect!**

Vote for Maisie

# Why me?

Picture this: it's 30 degree's outside, you're stuck in a stuffy classroom with no AC, sweating in your blazer and tie.

But wait – if you vote for me, I'll make sure on those scorching hot days, we can ditch the formal gear and rock our PE kits instead!

# Let's Spice up our School days!

- Designated market days for each year group making it easier and fairer to spend those well earned bucks!
- For those approaching the end of their school life, more days focusing on options and career paths.
- Increased trips – let's make them educational and fun. They don't have to be expensive.
- Let's make lessons more interactive - what about less tests, and more quiz's

# The Ultimate Attendance Challenge!

What if your year group could score the highest attendance? Here's an incentive you won't want to miss!

We put THREE teachers to the vote, and the teacher with the most votes gets a wet sponge to the face from the TOP TEN most improved students!

Now if that doesn't light a fire under you to be the top year, I honestly don't know what will!
