

Department: PE

Leadership rationale within your department.

The Ambassador/ Sports Leader in PE will be a vital part in championing the faculty around the school. The student will have exemplary standards in PE across the board including kit, behaviour, performance and engagement.

The student will be an asset to the PE faculty by providing a positive link between the department and the staff body. The successful student will help to drive the department forward by acting as a positive role model to their peers in order to have a impact in driving the already high standards even further.

The successful student(s) will engage fully in PE lessons and always demonstrate high kit standards. They will be respectful, kind and resilient and will seek to support their peers in achieving the same high standards. They will attend afterschool enrichment and encourage others to see the value in this also.

Sports Ambassador Roles and responsibilities (Years 7-9)

Promote high standards in PE across the school including kit, engagement and participation.
