

Modern Foreign Languages Department Student Leaders

Job description

Students will analyse and give their views on resources used in their lessons in the previous half term. They will (with different year groups) discuss and be responsible for the production of documents which they feel would have been helpful in their learning if they had had them before.

Students will evaluate resources, update them and we will then laminate them for next year.

Students will be responsible for promoting languages in the school and present a positive image of the Modern Foreign Languages Faculty across the Academy.

Students will support at events where the Modern Foreign Languages Faculty needs to be represented.
