

Trips & Enrichment

The trips and enrichment pathway is aiming to promote the wider community to our young people, whilst aiming to broaden their horizons. We are placing aspiration at the heart of what we are doing. Trips and visits from external provisions are tailored to our students and the directions that they have expressed interest in, as well as offering support in an academic sense to help develop their academic and emotional education, with the intent that by the end of Year 11 our students will be filled with a wide range of experiences that they will feel more confident entering into the world outside of BUA.

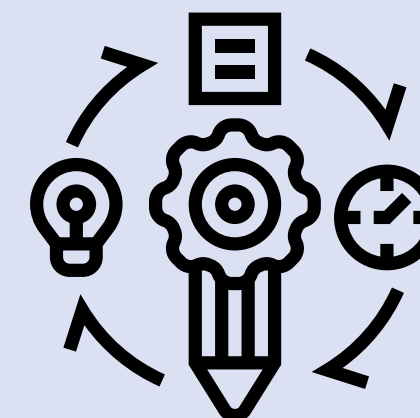

"Learning..."

1. National Justice Museum, Safer streets project- to promote community based support and learning.
2. Big bang fair at the NEC, to help students have a further study of practical science.
3. Nottingham Trent University trip for our Pupil Premium students to offer inclusive based activities for all our students.

"Fulfilment..."

1. Drax Power Station.
2. JCB to look at career links with our young people.
3. NEC Packaging and Innovations
4. Think, Reflect, Succeed at Uni of Derby to offer fulfilment thoughts to our Higher Ability Pupils.
5. Lend an Ear- Community Engagement going to local nursing home to build community rapport.
6. Drama trips to see a production to aid with studies.
