Dear Parent/Carer

The Bulwell Academy Annual Careers Fair
Thursday 27 February 2020, 3.15-6.30pm

Here at The Bulwell Academy we believe that your first day at school is the time that you should be really thinking about what you want to do when you leave. We think that your education is the beginning of your journey to enter the world of work.

Each year we have a range of activities that are designed to help students explore what jobs or industries might be best for them. The Bulwell Academy **Annual Careers Fair** is a key opportunity for you and your child to explore future career options and to think about what they need to be doing now to help them be successful and achieve their ambitions in the future.

We will be joined by over 25 local employers and careers specialists to tell you about a range of career opportunities to include apprenticeships, colleges, university and employment opportunities.

If you have family members who are currently looking for work or thinking about further study, this Careers Fair will be ideal for them and they are most welcome to come along too. We have employers who are looking for excellent candidates and who have the potential to offer job opportunities to mature jobseekers now.

We look forward to welcoming you and your child to the Careers Fair on Thursday 27 February between 3.15 – 6.30pm.

Yours sincerely
