- Completed work should be uploaded on Microsoft Teams for teachers to access and mark.
- Once work has been completed and uploaded, teachers will assess and return marks via Microsoft Teams.
- It is important that students check ClassCharts regularly throughout the day and complete all work that is set.

### Parents

#### Additional information

- For those students not in school either due to self-isolation or due to closure, school staff will keep in regular contact with you as parents to check that students are able to access and complete the set work. If you are unable to respond to our calls, we will where possible leave a voice mail message and would appreciate a quick call back at your earliest convenience.
