3 June 2020

Dear Parents / Carers

I hope this letter finds you all well. Can I please once again thank you for the support you have shown the school in the last few months of lockdown. It has not been an easy time for any of us and we have very much appreciated your ongoing support.

As you will be aware the government has announced that, provided there are no further complications with regards to Covid-19, we are able to begin to welcome Year 12 students back into school for **some** face to face contact from 15 June. In the first instance we have arranged for pairs of students in year 12 to have a one-to-two tutorial session with Mr Cook.

The reason for these tutorials is so that we can:

- Find out how your child has been during lockdown and to reflect on their learning during the last term
- Consider what support they may require moving forward and plan such support.
- Ensure that they are on track and fully prepared for their journey into Year 13.

We feel these tutorials are very important and would very much like all students to attend their session and ask that they please bring with them any paper copies of work that they have completed during the lockdown period.

I have included a personal invite for your child with the date and time of their individual session and ask that if they are unable to attend at the given time you email or contact Mr Cook, so that we can re-arrange this for you.

Following these meetings, we are planning some small group sessions in the weeks of 22 June and onwards, based around the responses we get during the tutorials. During these sessions, students will be able to come together and catch up as well as share and discuss any issues or concerns they may have within their subject areas.

We have very much missed your child and are looking forward to welcoming them back into school.

Kind regards

A handwritten signature in black ink, appearing to read 'M Strong'.
