3 June 2020

Dear Parents / Carers

I hope this letter finds you all well. Can I please once again thank you for the support you have shown the school in the last few months of lockdown. It has not been an easy time for any of us and we have very much appreciated your ongoing support.

As you will be aware the government has announced that, provided there are no further complications with regards to Covid-19, we are able to begin to welcome Year 10 and Year 12 students back into school for **some** face to face contact from 15 June.

Unfortunately, we are unable to welcome students from other groups in and will be continuing to set online learning or for those without internet access sending out work packs. I fully understand that for many of you this is frustrating as your child is keen to return to school, but until such time as it is deemed safe to return, they must remain learning from home.

It goes without saying that we will continue to check in with families regularly as we have been doing throughout this difficult period and we are here if you need anything. Please do pick up the phone or email one of us.

I will of course keep you informed of any changes going forward and very much hope to be able to welcome you and your child back to school very soon. We all miss the hustle and bustle of the normal school day, the laughter we share with the students and the daily face to face contact.

I know I speak for all staff when I say that we are all very much looking forward to being able to teach again within our classrooms. We all want to be able to get back to normal and will do so as soon as it is deemed safe to do so.

Until such time I wish you all continued health and ask that you stay safe.

Kind regards
