

# WELCOME TO MEL

## WHO'S WHO IN THE DEPARTMENT:

Bonjour! Je m'appelle **Mme Turner**. My favourite language is French and I am lucky enough to teach it! I love the patterns of language and finding new words. I try to find words in French which I think are funny to say! When I am not in school, I like gardening, walking and spending time with my family. I also like watching sport.

## TRANSITION TASKS - FRENCH AND SPANISH

Salut !

We would like you to choose a couple of these tasks and have a go at them! We want you to have fun with them – you could try to make some of the French dishes you find with an adult!

À bientôt,

The Modern Foreign Languages department at the Bulwell Academy

Bonjour!

Je m'appelle **Mme Maynard**. I teach French. I love the sounds in different languages and the origins of words. French is my favourite language. When I am not busy teaching, I enjoy trampolining and doing sports, being outdoors, and spending time with my friends and family.

1. Research a French or Spanish speaking celebrity and write a biography.

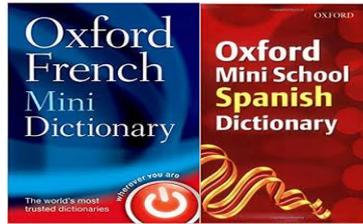

2. Interview an adult about their favourite country to visit or the country they would like to visit.

3. Use a language-learning app for 30 minutes. (Duolingo is a really good app to use)

4. Create a catalogue of the French or Spanish words you know. Illustrate your words if you can.

5. Cook a French or Spanish dish (with parental/guardian support) – for example a croque monsieur or paella.

6. List 20 French words that are regularly used in English – for example chauffeur.

7. Can you find a French dish to make? If you can, list the ingredients you will need to make it then find their French translations.

8. Research jobs which require different languages and their potential earnings.

9. Design a poster explaining why learning a different language is important.
