

WHO'S WHO IN THE DEPARTMENT:

Hello, My name is **Mr Andrews** and I am the Head of History. I love History because it makes me think about what really happened in the past. It's like being a detective. My favourite period is the 20th Century in particular the Spanish Civil War.

Hi, my name is **Mr Willmington** and I teach history. What I really love about History is how it can help you understand the world we live in now. I like to use lots of maps and paintings to study how familiar places have changed over the years.

When I'm not working, I like to go on long walking trips, like the Yorkshire Wolds Way (79 miles!!).

When I'm not thinking about History I love politics, long walks, swimming, listening to music and taking part in quizzes. I'm also a football fan and have supported Liverpool FC all my life. I grew up ten minutes walk from Anfield. This may account for my accent.

I am **Miss Aldgate**

I teach History

My favourite topics in History are the Tudors and the Rise of Hitler.

I am a massive book worm that loves to read all things fantasy!

I am really looking forward to meeting you all soon!
