

Technology Year 6 Transition

Meet the Teaching Team

I am Miss Marriott and I have taught at The Bulwell Academy for 7 years. I am the Curriculum Leader for Technology and I spend most of my time teaching pupils how to cook! I can't wait to meet you all and see you in my food classroom, we will have a great time

I'm Mr Barlow and I've been teaching for over 10 years but have only been at Bulwell since Christmas. I absolutely love working here, teaching Graphic Design and Architecture and I can't wait to help you boost your creativity! See you all soon!

I am Mrs Essuman
I am a Technology teacher and I am delighted to meet and teach you in Bulwell Academy
I love teaching Textile Technology and Art as it helps students develop their potential to the highest level
I am looking forward to building and developing your creative and designing skills as foundation for future designers
We have a fantastic Fashion and Designing studio and you are always welcome to our after-school club activities to use the facilities to design and make any personal textile product of your choice

My name is Miss Easom and like you, I will be new to Bulwell Academy in September. I am a Technology Teacher and am looking forward to teaching you all about Food, what it actually is, where it comes from, some of the Science in cooking and how to cook delicious meals with it! Any budding Food Scientists or future Chefs - very welcome in my classroom! It's going to be so much fun!

I am Mrs Frost and I have been working at Bulwell for four years
I can mainly be found in D Block teaching Hair and Beauty, this is an option subject. We have a full working hair and beauty salon at Bulwell, where students can learn hair and beauty treatments and practice them on one another.
From year 7 you will have the opportunity to join my fun afterschool club and learn some top hair and beauty tips!
I enjoy giving students the opportunity to learn what it would be like to work in the industry.
You may also see me around the Technology or Business department as I am part of the vocational team.

Task 1:

- Have a go at answering the following questions (try without the internet):
- Which of these is a fruit? Plum, lettuce, carrot
- What is the name for a piece of clothing that goes on your hands in the winter?
- How many fruits and vegetables should we eat a day?
- Can you draw a star without lifting your pen from the page?
- Which types of clothing are included in a football kit?
- Can you name 3 mobile phone brands?

Task 2:

TRY AND CHALLENGE YOURSELF

Create a poster about healthy eating for young children. Include guidelines from the government. Complete a food diary for a week listing all the foods that you eat. Try to list them as breakfast, lunch and dinner.

List 20 fruits and 20 vegetables

Design an outfit for Halloween

Practice your 3d drawing by drawing a cube in different sizes.

YOUR edible design: You need to produce the design of a cake so that it is suitable for a child's birthday!

- **BRONZE:** includes decoration!
- **SILVER:** Includes a price and a cake name!
- **GOLD:** Includes labelling

TOP TECHNOLOGY HINT: don't forget to label your flavours!
