ACADEMY**  
*Creative  
Education  
Trust*

14 July 2021

Dear Parent/Carer

The last few weeks have been busy to say the least, having to once again engage with our Y6 teachers and students from a safe distance, instead of hosting them at the Academy for their transition days.

However, I feel that our staff have risen to the challenge, consulting with colleagues and hosting Q&A sessions with students, in order to gather as much information as possible about those coming up to us in September. In addition, we are very proud of the materials that have been posted onto our website ([www.bulwellacademy.org.uk](http://www.bulwellacademy.org.uk).) from our staff, which we hope will support our Y6 students as they make their transition from primary into secondary school. Please see below on, how to access a tour of the academy, videos from the Y7 team, presentations from our curriculum areas, transition activities and much more.

Please  
click here

## Transition Days Online!

Unfortunately, we are unable to hold Transition Days this year. Please click on the link below to view our online Transition Videos & Activities for Year 6!

I just wanted to take this opportunity to ensure that you are aware of some of the applications that we use at The Bulwell Academy to support parents in taking an active role in their child's learning. In order to support this process, to create usernames and logins for these applications, we need the **purple student data sheets** returned to us that were sent out with our last letter of communication. Many thanks to all those parents that have returned these already, it really does help us get the systems detailed over to run efficiently.

**ParentPay App** – we are a cashless school and this online payment service system enables you to pay quickly and effortlessly for lunches, trips or school expenditure without the need for your child to carry money.

**Sims Parent App** - Sims Parent enables you to keep up to date with your child's attendance, timetable, receive school reports and much more. You will also be able to update your contact details through Sims Parent.

**Classcharts** – a simple on-line behaviour management system whereby parents can monitor and track their child's achievement and behaviour, including access to detention details.

Information and how to register with ParentPay, ClassCharts and Sims Parent App will be sent to you shortly, but in the meantime further details have been uploaded onto the Parent Information section of The Bulwell Academy website, [www.bulwellacademy.org.uk](http://www.bulwellacademy.org.uk).

Mr Nash will be writing to you soon, detailing the plans for your child's safe and enjoyable start at the Academy and his expectations for the new school year. In the meantime, may I take this opportunity to wish you a happy summer on behalf of the Transition Team at The Bulwell Academy, and we look forward to welcoming your child in September.

If you have any queries, please do not hesitate to contact me on 07850908885.

Yours sincerely

M Cook  
**Assistant Vice Principal**
