21 September 2021

Dear Parent/Carer

As advised by Public Health England, on Monday 27 September, at The Bulwell Academy, the School Aged Immunisation Service (SAIS) will be administering Covid-19 vaccinations to children who are aged 12 to 15 on this date.

You are receiving this message because your child is aged 12 to 15 on this date and is therefore eligible for vaccination.

Shortly, you will receive a letter provided to all schools by the SAIS with more details about the process.

There is a link on the letter that will take you to the consent form that will need to be completed prior to vaccination. Only students aged 12 to 15 on Monday 27 September will receive the letter shared by the SAIS and only students with completed consent forms will be vaccinated.

On Monday 27 September, Year Managers will ensure that students with consent are fully supported throughout the process. After being vaccinated, students will be required to wait in the Library for 15 minutes, supervised by their Year Manager and a SAIS team member.

Please direct any questions that you may have about the vaccinations and the consent process to the details provided on the SAIS letter.

Regards

A handwritten signature in black ink, appearing to read 'Brad Nash', written in a cursive style.
