Dear parent/ carer

I am delighted to inform you that 'Shine Theatre Company' are returning to the Academy to deliver their Theatre and Performance programme.

This is a programme run by the Nottingham Playhouse Shine programme. It is a series of FREE youth theatres for young people to attend each week. As well as the weekly drama sessions which are great fun and for all abilities. Shine members also get the chance to perform on the Playhouse main stage in the summer and to visit the theatre to watch shows for free. It is a unique opportunity and costs nothing.

This programme is open to all Key Stage 3 students and will run every **Monday during term time from 3pm-4:15pm**. It commenced on Monday, 13 September in room DG06 in Drama. There are still places available, although numbers are limited so please register your interest as soon as possible.

For those who are interested, please complete the consent form attached and bring this with you on Monday. There is also a sign-up sheet in Drama (DG06), which we encourage students to express their interest on.

As an Academy we continue to take advice on the current COVID-19 situation. If this changes at any time and the company can't run, we will ensure to contact you in a timely manner.

This is one of the first exciting adventures for the department and I personally can't wait to offer more extracurricular provision for our students in the Arts.

I look forward to meeting you all at some point during this academic year.

Yours sincerely

PP
