November 2021

Dear Parent or Carer

As you are probably aware, Nottingham City has recently seen an increase in COVID-19 case numbers so, as a school community, we need to ensure that all our students and their families have access to home testing.

Today, every student has been provided with a box of Lateral Flow Tests so that they are able to test themselves at home at least twice a week, as per the current government guidance.

Regular testing will mitigate risks posed to students and staff at the Bulwell Academy and further raise the profile of testing and covid-vigilance as we approach Christmas, the New Year and beyond.

If you require any additional testing kits, please do get in touch with the Academy and we will provide you with them. More tests will be distributed to all students all students again before we break up for Christmas.

Many thanks for your continued support with this issue.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Brad Nash', is written over a thin horizontal line.

Mr B. Nash
