Dear Parent/Carer

You will be aware that, last half term, all students in Year 7 completed assessments in literacy, numeracy and comprehension. Assessment is used by teachers and leaders to constantly monitor the progress of every child, throughout their time at The Bulwell Academy to ensure that all children receive the best possible chance of achieving success. Following the period of unrest and disruption caused by the pandemic, specifically to the academic and emotional welfare of children, this information is arguably more important than it has ever been.

As communicated with our Year 7 students, every child will receive a new timetable on Monday morning which will include updates made according to their assessment data. The updates to timetables have been made to empower every child to progress at the pitch and pace that will allow them to realise their potential and continue to experience the joy of learning. Tutors will ensure that all children fully understand their new timetables and additional time will be allocated to answer questions that they may have.

This is an incredibly exciting milestone in your child`s education and we look forward to seeing them on Monday morning to commence the next chapter of their journey.

If you have any questions about your child`s new timetable, please do not hesitate to contact me at Laura.Woffindin-Taylor@bulwellacademy.org.uk.

Yours sincerely
