Dear Parents/Carers

As part of the sixth form curriculum your child takes part in life skills lessons once every 4 weeks. The lessons are in the form of cooking lessons where your child is equipped with the practical skills needed to be able to live independently. The students cook a variety of popular meals on a budget and are shown how to make easy swaps to make meals healthier and more filling.

So far, the Hospitality department have paid for the ingredients from the food budget, however I am writing today to please ask for a voluntary donation of £10 for the year to help towards the cost of the ingredients so that we can keep providing for all the lessons.

If you are able to support with the suggested amount, please pay via ParentPay, our online payments system. You will find the payment item under Other Items, called 'Sixth Form: Contribution for Cooking Ingredients'.

Many thanks

A handwritten signature in black ink that reads "R. Marriott". The signature is written in a cursive style with a large, stylized 'A' at the end.
