Friday 10 December 2021

Dear Parent/Carer

I hope you and your family are well.

As we are shortly approaching the Christmas break, I wanted to share with you details of your child's assessments that will be taking place in January.

These assessments will provide us with an accurate picture of where each student is at in their journey towards achieving their potential, and what we can do to support them. This year's assessments will be even more important given the intermittent absences from school during lockdown over the last couple of years.

Key Stage 3 assessments (for Years 7, 8 and 9) will take place between **Monday 10 January and Friday 21 January**.

We will be providing students with a revision booklet to support them with their revision over the holidays. This booklet includes:

- Details of each assessment
- Exam Tips
- Strategies on how to revise
- Topics for each subject being assessed
- Online revision resources for each subject

Your child will also be provided with a **personalised assessment timetable** in the first week back so they will know exactly when each assessment is. All assessments will take place in their normal timetabled lessons, and when they do not have an assessment they will have a lesson as normal.

Please support your child with their revision over the holidays and do not hesitate to contact the Academy if you have any further questions.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Senthilkumar'.

Ms S Senthilkumar
Assistant Principal for Assessment and Raising Standards
