Dear Parents/Carers

Careers Curriculum at the Academy

Careers at Bulwell has developed in the last nine months. Last year, we saw the return of mock interviews for Y10 students, the whole school careers fair, the Y9 alumni day as well as assemblies and workshops. It has been fantastic to see students engage in the opportunities they have had to discover further education and careers that they might want to pursue. This year we will see these events again as well as more bespoke sessions, such as the Y8 Nottingham Trent University workshops we held on Monday.

To make sure that we meet the needs of every student, we are continuing to add to and develop our careers curriculum within The Bulwell Academy. We aim to ensure that students are prepared for further study, apprenticeships, and the world of work.

We would be grateful for a few minutes of your time to complete the online survey below to provide your views on how we can best meet your child's needs around Careers.
