## Sparx Reader

Dear parents/carers

Last week we launched [Sparx Reader](#) with Years 7 to 9. This is a reading programme that we want students to be using outside of lessons to improve their reading skills. If any students require support with Sparx Reader, they can ask their English teacher or join the Literacy Club after school on Mondays and Thursdays.

The Literacy Club provides students with the opportunity to complete their reading homework on Sparx with support from the Reading team as well as gaining general support with reading. We are confident that attending these sessions will have a positive impact on your child's progress.

All students who complete their Sparx Reader homework will receive 10 Bulwell Bucks each week. We will also be sharing certificates with students as they meet key milestones on the Sparx programme, and other reading rewards throughout the year.

**To sign your child up to the Literacy Club, please complete the Bulwell Boost online form below:**

The online form also includes a range of other after-school clubs from our Bulwell Boost offer – you can find out more here: [Extra-Curricular Timetables \\* Bulwell Academy](#)

If you have any queries regarding the Sparx program, please do not hesitate to get in touch: [Megan.FarrowGriffiths@bulwellacademy.org.uk](mailto:Megan.FarrowGriffiths@bulwellacademy.org.uk).

Yours sincerely
