Dear Parent/Carer

CET Shakespeare Project: Trust Wide Performance Collaboration

Once again, we are delighted to be taking part in the Shakespeare project run by The Creative Education Trust. This is a trust-wide event, with select members from each of the Creative Education Trust schools joining together to perform a Shakespearian play.

Drama students in Years 9 and 10 are invited to take part, and will need to attend rehearsals on Mondays after school from 2.50 to 3.50 pm. The first after-school rehearsal will start on the first day back to school in the Drama Room.

The annual CET Shakespeare Festival, launched in 2014, invites teams from across the Trust's secondary schools to design and perform 30 minute Shakespeare productions. Every participant spends a minimum of four hours working with a theatre professional, focussing on either theatre design or voice and text in performance. In 2022 more than 360 students participated in the activity, with over 200 of those taking to the Abbeyfield School stage over two days in December.

Being part of the CET Shakespeare Project is a great opportunity to represent the Academy and to extend your child's learning in Drama.

If your child would like to take part and you are happy for them to participate in after-school rehearsals, please complete the online consent form by **noon on Monday 6 November**.
