Dear Parents and Carers

### Vote for your Parent Representatives

I wrote to you recently about parents becoming members of the Bulwell Academy Council.

The Council, which comprises members of the community, parents and staff, plays a key role in supporting the school to make progress.

The members meet 3 to 4 times per year, listen to the progress of key aspects of the school, including safeguarding and SEND, in addition to progress of academic predictions and outcomes, attendance and behaviour.

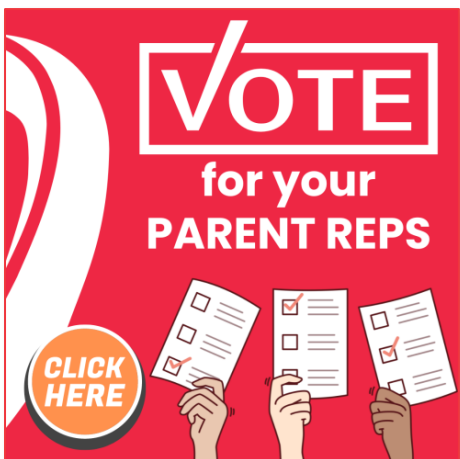

More specifically, the Council meets and works together to discuss ways in which members can help and promote the school. You meet senior leaders and, together with other members of the Council, you share and discuss ideas to further improve the academy.

Following this letter, I am delighted that 7 parents/carers have nominated themselves to join the Academy Council and I have met several interested parents who are passionate about the school and determined to make a difference.

I write to all parents today, therefore, to ask you to vote for the two parents who you believe would help us move forward and be a voice for parents in the school.

We have contacted all the parents who have nominated themselves, who understand that a ballot is the next step in this process.

**Please click on the image below** which takes you to the names and profiles of the parents. Please take the time to read each profile and click against the names of the parents/carers who you think would be the 'best fit' to join the Academy Council as your parent representatives.

**VOTE HERE:** [The voting deadline is Monday 4 March.](#)

Thanks for your support and I will share with you the names of the nominated parents towards the end of next week.

Yours sincerely

**CHRIS KEEN**
