21 February 2024

Dear Parents and Carers

I am writing to dispel concerns that have been circulating on social media regarding a possible outbreak of Legionnaires disease caused by unsafe water at The Bulwell Academy.

I can confirm that the school's water system has **not** tested positive for Legionella. The water system was completely cleaned during the half-term holiday as part of our routine planned maintenance, and the Academy's water is completely safe to drink.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Chris Keen', with a large initial 'C' on the left.
