Part 1: Freedom of Information Policy

1. Introduction

1.1 Creative Education Trust is committed to complying with the Freedom of Information Act 2000 (“FOIA”) which came into force on 1 January 2005 and which applied to academies with effect from 1 January 2011. Each of our schools are committed to the principles of accountability and the general right of access to information, subject to legal exemptions. This policy outlines its framework for managing requests.

1.2 Under the Freedom of Information Act 2000, any person has a legal right to ask for access to information held by Creative Education Trust. They are entitled to be told whether Creative Education Trust holds the information, and to receive a copy, subject to certain exemptions. Each school is under a duty to provide advice and assistance to individuals making requests under the FOIA.

1.3 The information which the academy routinely makes available to the public is included in the Creative Education Trust FOIA Publication Scheme (Appendix 1). Requests for other information are dealt with in accordance with statutory guidance. While the Act assumes openness, it recognises that certain information is sensitive. There are exemptions to protect this information.

1.4 The Act is fully retrospective, so that any past records which the Creative Education Trust holds are covered by the Act. It is an offence to wilfully conceal, damage or destroy information in order to avoid responding to an enquiry.

2. Scope

2.1 This policy applies to all recorded information held by the Creative Education Trust that relates to the business of the Trust or its schools.

2.2 Requests for personal data are covered by the Data Protection Act and are outside the scope of this policy. The Creative Education Trust Data Protection Policy gives further guidance on the process that must be followed.

2.3 Requests for information about anything relating to the environment, such as air, water, land, the natural world or the built environment and any factor or measure affecting these, are covered by the Environmental Information Regulations (“EIR”). Requests under the EIR are dealt with in the same way as those under the FOIA, but they may be oral requests.

3. Associated documents

3.1 The following documents have relevance to this policy:

- Creative Education Trust Data Protection Policy
- Creative Education Trust Records Management and Retention Policy

4. Requesting information

4.1 Procedure

4.1.1 Creative Education Trust recognises its duty to provide advice and assistance to anyone requesting information.

4.1.2 Requests under the FOIA should be addressed to Principal or Headteacher of the individual school or where the request concerns the Trust, dpo@creativeeducationtrust.org.uk. To help the school or the Trust process requests quickly, any correspondence should be clearly marked Freedom of Information Request.

4.1.3 The school will respond to straightforward verbal requests for information and will help enquirers to put more complex verbal requests into writing so that they can be handled under the FOIA.

4.1.4 Creative Education Trust recognises its duty to tell enquirers whether or not it holds the information they are requesting (the duty to confirm or deny) and provide access to the information the school holds.

4.1.5 Head Office will have 20 working days following the date of receipt to respond, excluding any public holidays. Schools will have 20 school days following the date of receipt to respond, excluding any public holidays and school holidays.

4.2 Non-Disclosure of Requested Information

4.2.1 Information will not be disclosed if one or more of the following applies:

- An exemption to disclosure.
- The information sought is not held.
- Requests are considered vexatious or repeated.
- The cost of compliance exceeds the threshold of (£450).
- The time taken to complete the request will exceed 18 staff hours.

4.3 Exemptions

4.3.1 There are two general categories for exemptions:

- Absolute, where there is no obligation to confirm or deny the information is held, disclose the information or consider the public interest test.
- Qualified, where, even if an exemption applies, there is a duty to consider the public interest test.

4.4 Applying the Public Interest Test

4.4.1 Once it has been established that a qualified exemption applies to a request, Creative Education Trust will apply the public interest test to establish whether the public interest in applying the exemption outweighs the public interest in disclosing it.

4.5 Cost of compliance

4.5.1 Where the Creative Education Trust estimates that the cost of locating the information will exceed the statutory threshold of £450, the Trust is not obliged to comply with the request.

4.5.2 The £450 limit covers:

- the time taken to determine whether or not the Creative Education Trust holds the information;
- finding the information
- retrieving the information
- extracting or editing the material.

It does not cover the time taken to consider whether an exemption applies and the public interest test. Time will be charged at a flat rate of £25 per hour per person for any request that exceeds 18 hours of staff time to fulfil the request.

4.6 Charges

4.6.1 Most information will be freely available through school websites. Enquirers will be directed to the school or trust website if the information they request is available on it. For further information, please see Part 2: Creative Education Trust FOIA Publication Scheme.

4.6.2 The Creative Education Trust may charge a fee for complying with requests.

4.6.3 Where the cost of postage, printing or photocopying documents is below £10, Creative Education Trust will not make a charge. Where it is over £10, the first £10 will be free of charge; after that, Creative Education Trust will charge the full estimated cost of postage and copying. The requestor will be provided with an estimated cost before the information is produced. A requestor may decide to refine the request, so it reduces the cost of, for example, copying.

5. Complaints

5.1 Creative Education Trust takes its obligations under the Freedom of Information Act (2000) and the Environmental Information Regulations very seriously.

5.2 If a requestor is dissatisfied with the way in which their request for information has been handled, the following complaints procedure should be invoked.

5.3 Written complaints must be sent to dpo@creativeeducationtrust.org.uk.

5.4 Complaints will be investigated and responded to within 20 working days.

5.4.1 If, after exhausting the complaints process, a requestor is still dissatisfied with the outcome, they may refer the matter to the Information Commissioner. The Information Commissioner may be contacted at:
