Dear Parent/carers

## **Catering at The Bulwell Academy from September 2024**

During recent times, parents have made it clear about their views on catering at the academy. I wrote to you recently to inform you of another change we are making. From September 2024 *Caterlink* will now be providing all our catering at the academy.

I want to give you any update we have, including sample menus. These are attached for your information. The actual menus have yet to be decided, but these give you an idea of what the company serves across its other schools.

In addition, I can also confirm the cost of a free school meal will remain at £2.50, including a main meal and a desert.

I also want to inform parents, in advance, of expected increases to individual food items. These items will now cost the same in all our academies, several of whom are in the Midlands area.

The prices are fully in line with other school catering providers, though they remain an increase to our school. I will share with parents as soon as possible.

I also attach a flyer from the company which provides further details on them, what they provide and their vision for school catering.

Thank you for your support.

Yours sincerely
