Dear Parents and Carers

### **Catering Prices and School Menu for September 2024**

Parents will be aware that, from September 2024, we have a new catering provider called Caterlink (you can read the previous letters regarding this on the [Letters](#) page on the school website).

Caterlink has been contracted to provide catering across all schools within our Trust. There are 17 in total.

The tariff of food prices, agreed with the Trust, are the same for all Trust schools whether they are based in Nottingham, Stoke-on Trent, Northampton or Norfolk. You can also find the Price List and the new School Menu for September on the [School Meals](#) page of the school website.

[Click here for Price List](#)

[Click here for School Menu](#)

For some schools in the Trust, prices will be reduced compared to their previous provider. For other schools, including The Bulwell Academy, prices for some individual items are higher compared to our previous provider. This is due to The Bulwell Academy subsidising food costs for several years.

Additionally, the new caterer will be introducing new break and lunch options, whilst we will continue to offer a free breakfast for all pupils in the morning from 8.00am to 8.20am.

Most importantly, the cost of a Meal Deal (main course and dessert) remains at £2.50 in line with the 'free school meals' allowance for those children who are eligible (information on applying for Free School Meals can be found on the [School Meals](#) page).

During the first term, the Trust will spend time reviewing all aspects of the catering contract, in particular gaining views from parents, pupils and staff, to gather feedback and amend the service accordingly. The menu and pricing, therefore, may be subject to change.

Your sincerely
