Dear Parent/Carer

The 'Bulwell Boost' Offer

We want to provide pupils with more opportunities by providing a diverse extra-curricular provision to increase the 'fun factor' and the holistic development of our children.

Last year saw the launch of our Bulwell Boost extra-curricular provision, which proved immensely popular with students and saw a huge increase in participation in clubs and activities across the school. This year, our goal is to provide even more enrichment activities to drive a positive culture and create a fabulous, enjoyable environment for everyone.

In addition to after-school activities, students have told us that they would like to participate in clubs during their lunch breaks. These unstructured times are great opportunities for students to further their interests in things that they might not get to experience throughout the school day.

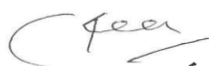

This year, we have doubled our Bulwell Boost offer to provide twice the amount of extra-curricular clubs for our pupils. After-school clubs (running from 2.50pm to 3.50pm) and lunch-time clubs will be delivered by Academy staff and registered external providers offering Sport, Performing Arts and other activities.

I hope pupils will be excited by the offer, fully paid for by the Academy, and will welcome the 'fun factor' being brought back to Bulwell! These clubs are essential for the success of our school but, most importantly, they are essential for our children's all-round personal development, providing the chance to further their interests beyond the classroom and to motivate students to want to be part of the new era at Bulwell.

Students will be able to find out about our Bulwell Boost offer on Friday at our Enrichment Fair, taking place during the school day. Clubs will start next week. **Parental consent will be required before your child can attend any of our after-school clubs.** The clubs will shortly appear in the Arbor Parent App (in the Activities section). Click on the club your child would like to attend and follow the steps to provide consent. If you have not created your Arbor account, please find out how to do so here: [Arbor Parent Portal and App * Bulwell Academy](#)

We will make sure we keep you updated on a regular basis about school news via the Academy website, social media (Facebook, Instagram and X) and the return of a regular Bulwell Bulletin sharing snippets of the great things going on at the Academy.

Yours sincerely

Mr C Keen
Executive Principal
