14 October 2024

Dear Parents and carers

Our after-school revision sessions are now up and running across the core subjects. It is our ambition that as a Year 11 team, ALL students will attend AT LEAST one after school class a week. Last week we sent out letters to let you know if your child is in one of our targeted groups for after school intervention, so they know which session we feel will be most valuable to them. However, all students are welcome at every session.

We will require parental consent for attendance at the sessions, and those consents are now live on the Arbor Parent App (in the Clubs area of the Activities section).

The subject days are as below and will run from **3:00pm** to approximately **3:45pm**:

- Monday: English
- Wednesday: Science
- Thursday: Maths

Attendance at a session will be rewarded with 25 Bulwell Bucks.

There will be a few half term sessions running this half term. As with the after-school sessions, consent will need to be given using the Arbor Parent App. These sessions will run from **9.30am** until **12.30pm** and pizza will be provided for lunch before students leave. **Those consents are also now live on Arbor.**

- Spanish with Mr Harthill: Monday 21 October
- Maths with Mr Hayton: Monday 21 October
- Geography with Mr Garton: Tuesday 22 October
- Geography with Ms Fuller: Friday 25 October
- Foundation Science with Mr Smith: Friday 25 October
- Vocational Catch Up with Ms Davies: Wednesday 30 October
- Science with Ms Laing: Friday 1 November

Attendance at a session will be rewarded with 25 Bulwell Bucks.

Finally, the mock exam timetable was given to students today, as part of their mock exam booklet. This outlines the exam schedule along with the masterclasses on offer the night before the exams. **Again, consent is required for the Masterclasses through the Arbor Parent App.**

For each subject there are recommended study and revision tips, along with a selection of online destinations. The booklet, along with any other Year 11 information, can be found on our website on the Year 11 Success page.
